

PROTEST AT RULES FOR ARMY TAILORS

Illinois Manufacturers Say
Requirement of Sample
Leaves Only One Bidder.

CHICAGO, Aug. 7.—Manufacturers of the West have found new ammunition in their fight against the methods employed by the War Department in awarding contracts for army clothing. Following its protest last month against the action of the department in appointing a central board of umpires at Philadelphia to pass upon all bids the Illinois Manufacturers' Association has registered a new complaint. It is based on the new department regulation that all bidders for contracts to make army clothing shall deposit with the central board a special twenty-yard sample.

The protest which is incorporated in a letter sent by Secretary John M. Glenn to Secretary of War Wright is stated in vigorous terms. The department is criticized severely for its alleged discrimination against certain bidders. Another feature of the protest is the claim that the new regulation practically is equivalent to the establishing of a corner in the making of army clothing, as the expense of making the sample is prohibitive to most manufacturers. This, it is claimed, will result in the placing of the contract in the hands of one manufacturer.

HE EXPLAINS.

"John," said the candidate's wife, "you promised me to quit chewing tobacco."

"So I did."

"Then what are those stains around your mouth?"

"That's molasses, dear. I've been kissing babies."—Exchange.

ELEMENTS DISPERSE PYTHIAN ARMY

Knights in Boston Seek Substantial Shelter From Franklin Field Camp—Drills on Today.

BOSTON, Aug. 7.—The Pythian army which conquered the organization of citizens that tried to prevent them from camping in a city park, and later resisted an invasion of thieves and pickpockets, has finally been vanquished by the elements. The heavy rains that have fallen almost daily since the camp on Franklin Field was established, has forced the knights to seek more substantial shelter.

Although the encampment was to have lasted until tomorrow afternoon, the Pythians abandoned their tents this morning. Not more than half of the camp could be used last night. The price drills continued today in spite of the rain, and the awards will be made late this afternoon.

REVENGES DAUGHTER WHEN MAN CONFESSES

Father Springs Over Court Room Rail and Almost Strangles Prisoner—Vows to Kill Him.

TRENTON, N. J., Aug. 6.—Harvey Baker, confessed assailant of Ada Matthias, nine years old, is nursing his bruises in jail here, after being almost strangled to death in the court room at police headquarters by Thomas Matthias, father of the girl. Baker had just pleaded guilty when Matthias leaped over the court rail and grabbed him by the throat. Wild confusion at once ensued, and Baker's eyes were bulging before policemen could tear Matthias away from his throat. As he was led to a cell, Matthias raised both hands and swore that as soon as he was released, he would kill Baker wherever he found him.

BROKER IS ARRESTED IN FLIGHT TO WEST

Robert E. Eastman, Charged With Embezzlement, Held Under \$40,000 Bail in Chicago.

CHICAGO, Aug. 7.—Robert E. Eastman, the New York broker who was arrested on a fugitive warrant charging him with embezzlement, was arraigned before Judge Dickler yesterday. His bond was fixed at \$40,000. The cases were continued until next Monday. "I had liabilities in New York and I came West hoping to get them straightened out," said Eastman. "I have not stolen anything. I am ready to go back."

FOUR ARE BURIED IN ONE GRAVE

Funeral of Two Brothers and Their Young Brides, Who Were Drowned, Held in Chicago.

CHICAGO, Aug. 7.—One grave will hold the four young people, two brothers and their brides of two years, who were drowned while bathing last Tuesday in the Mississippi river at Galena. The four funerals will be held as one at noon today. Oscar MacMaster returned yesterday with the bodies of his son, Bert, aged twenty-six, and the latter's wife, Beatie, aged twenty-one, and his other son, Archie, aged twenty-three, and his wife, May, aged twenty-two. They were married within a month or two of each other two years ago.

WILL TIE UP ROAD, STRIKERS DECLARE

Canadian Pacific Mechanics Assert That Trainmen Will Quit by Sunday.

WINNIPEG, Man., Aug. 7.—Striking mechanics of the Canadian Pacific railroad declare that the trainmen of the system will go out with them in sympathy and that by next Sunday the entire system will be tied up. These trainmen consist of switchmen, brakemen, baggage men, and some of the conductors. All the railway shops were in darkness last night because the electricians operating the lighting plant declined to work with non-union labor. Three coach loads of strike breakers have arrived from St. Paul and Chicago. Several hundred mechanics are expected from the Pacific coast States, while the Eastern shops will draw their supply from New England.
